

How to Schedule an Appointment at an Onsite Event or Patient Service Center

- Go to **My.QuestForHealth.com**
 - Log in as a “Returning User” with your username and password you established the first time you logged in.”
 - Or, if you are a first-time user, click “Register now” in the yellow box.

***Important:** If you have a username and password from a previous screening site, you will need to register on this website as a **first-time user**, and create a new login account by clicking “Register Now” in the yellow box.

- If you’re a returning user you will go directly to Step 3, below.
 - First time users, enter the Registration Key, **BeBalanced**, and click “Continue.”
 - Enter your Unique ID , **SEE YELOW TEXT BELOW**, and Date of Birth.
 - Create an account by entering a username and password, then click “Continue”

UNIQUE ID

For Employees: The Unique ID will be the Employee ID (without the E) including leading zeros.

For Spouses: The Unique ID will be the Employee ID with an "s" at the end.

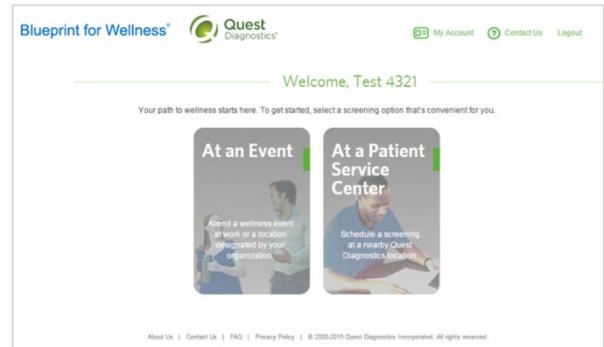

- Important:** Save your username and password information for future use of the site and to access your results online.

- Verify your information is correct and up to date.
 - Email is required for username and password recovery.
 - Click “Register”.

4 Click "Get Started" to schedule your appointment.

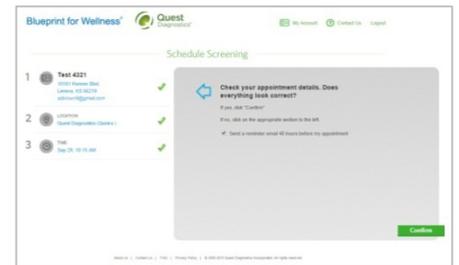

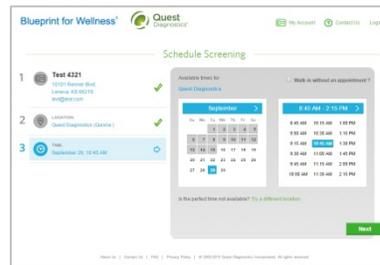

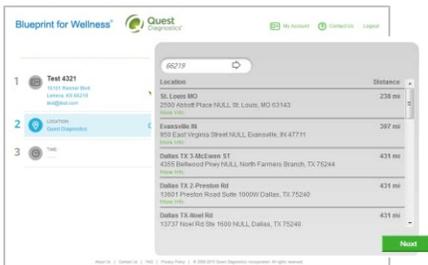

Select how you would like to participate in a screening :
At an onsite event or a Patient Service Center (PSC)

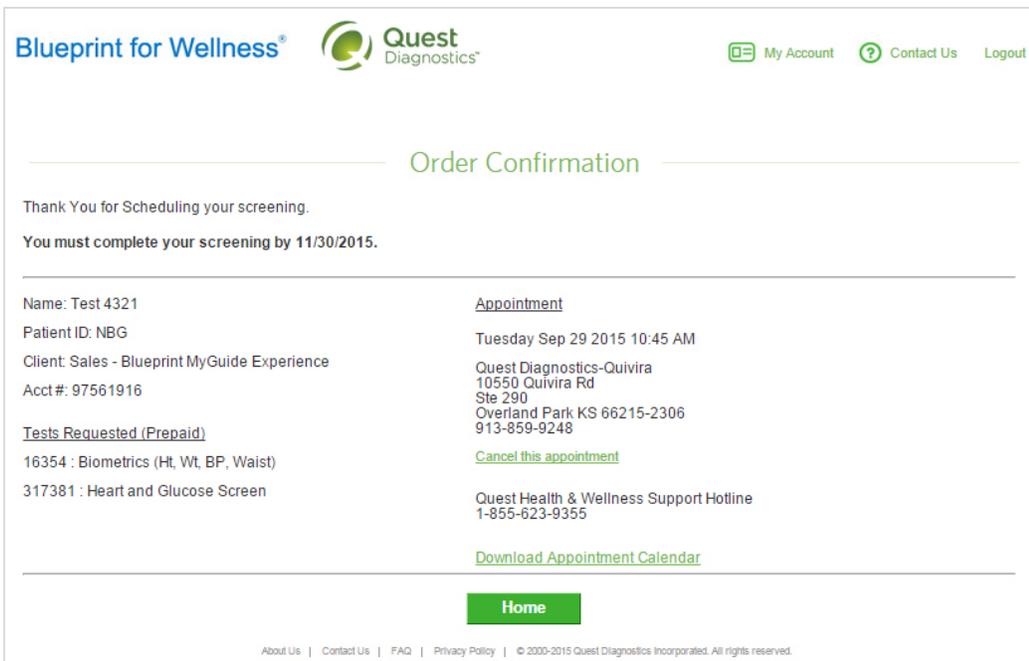

5 When you select "At an Event" or "At a Patient Service Center" you'll need to choose the appointment location and then select a date and time. For PSC appointments, you may choose the walk-in option to create an order that is ready to be filled at any PSC nationwide..

Click "Confirm" to confirm your appointment.

6 Once you've scheduled your screening, you will see the Order Confirmation page.

If you have questions, contact the Participant Service Center at 855.623.9355, or Wellness@QuestDiagnostics.com.
