John,

Welcome to Teladoc®. As a physician, providing patients with the highest quality healthcare has always been a priority for me. Now, as the Chief Medical Officer of Teladoc, my colleagues and I bring that quality healthcare to you anytime, anywhere — at work, in the comfort of your home or while traveling.

As a new Teladoc member, you now have access to our national network of U.S. board-certified physicians, licensed in [<Variable: NY, CA, TX, or "your state">].

With an average of over 20 years of clinical experience, our doctors can diagnose, treat and prescribe medication for your non-emergency conditions. This includes treatments for the flu, strep throat, eye infections, bronchitis, UTIs, and much more.

Whenever you need our care, we are available within minutes, by [<phone or video>]. We look forward to serving you.

Sincerely,

Lew Levy, MD
